THE EASTERN STATE HOSPITAL.

The Cavernor received vesterday the

The Gevernor received yesterday the report of the Superintendent of the Eastern State Hospital, at Williamsburg, subern State Hospital, at Williamsburg, sub-mitted by Dr. L. S. Foster. Dr. Foster gives a very comprehensive view of the condition of the hospital, which is ex-cellent. The Superintendent thinks, how-ever, that the former appropriation to the hospital of \$75,000 should be restored, about \$10,000 having been taken off by the last General Assembly. The hospital is growded.

Dr. Foster also recommends that persons be adjudged insane and committed to asylums by courts of record, the County Judge and Commonwealth's Attorney taking a part. He thinks the latter should represent the State with a view to learning whether the patient is able to ask for maintenance and treatment in a hospital. At present this ques-tion is gone toto acarely at all by the commission of lunacy, consisting of two wagistrates and a physician. PUNCHING BONDS.

A HIGH SOUNDING PLEA. There was received at the Governor's office yesterday, a letter from five men from this city, who were employed by a labor bureau of Richmond to dredge oysters in Tangler Sound. The letter is most remarkable. It begins:
